Cancellation of 2020 Superior Plumbing Presents North Georgia State Fair

Marietta, Georgia – August 11, 2020: With utmost regret, the decision has been made to cancel the Superior Plumbing Presents North Georgia State Fair this year.

Every effort has been made to find a viable solution for bringing the fair to fruition this year. However, between Cobb and Douglas Public Health notifying us of continued use of Jim R. Miller Park for COVID-19 testing through the end of the year, the extension of Governor Kemp's Public Health State of Emergency, and an abundance of caution for the ongoing uncertainty of the pandemic, the difficult and heartbreaking decision has been made to cancel. Cobb County Fair Association President Frank Wigington said, "We wanted to delay the decision as long as possible to offer every opportunity to devise an effective plan. But after meeting with county officials and hearing their plans for the continued use of the park, we realized there were no options available left for us." Fair Manager Tod Miller remains hopeful going forward, "Now, more than ever, our community needs positivity and strength. We look forward to being back with you next year, stronger and better than ever."

While still in the early stages, we are excited about the prospect of still being able to provide you with the number one reason you come to the fair. FOOD!! We are working on bringing you your favorite fair foods with The Taste of the Fair, a drive-thru food experience. This would take place over the course of two weekends (Sept. 26 - 28 & Oct. 2 - 4) in the main parking lot of Jim R. Miller Park.

As the largest event in Cobb County, we recognize the tremendous positive impact the fair has on our community and appreciate the ongoing support. This will be the first time the fair has been canceled since World War II.

Superior Plumbing Presents North Georgia State Fair September 23-October 3, 2021
